### Dear Fellow Judges

It has been a while since our last newsletter!

We are however, really excited about all the horse shows that took place during these unprecedented times! Blom was back on track for 2022! It was great to see the stands full with spectators on Saturday!

The regional shows were also on schedule and we were able to offer candidate and junior judges qualification opportunities at the following shows during 2021 and the first months of 2022: Standerton, Somerset East, Mistros, Philippolis, Cradock, Umtata, Riversdale, Hopetown and Bethlehem. Our appreciation to the show committees for making their shows available and for hosting the junior and candidate judges. Without the support of these shows, it is impossible to give opportunities to new judges equally. Thank you also to our senior judges for sharing their knowledge and experience.

The new horse show administration programme, GATEKEEPER is in place. The system allows us to fast track the judge's cards and upload these to the website. Please go to the Saddlebred Society of SA website or click here: <https://www.sbsa.co.za/our-judges-judges243079799-cards-of-the-riding-horse-judges-association-of-south-africa/>

Our updated Judges Membership list is also available on the website.

A reminder to send in any points for discussion for the AGM which should take place via Zoom during August. We will confirm dates and details.

We wish all our members a good winter and look forward to seeing you all in the ring again come spring time!

### FRIESIAN HORSE Breeders Society of South Africa

A Friesian Judges Course was presented during the Gauteng SANESA trial at Parys on 29 and 30 January 2022. Stas Horn, president of the Society, presented the course which included both theoretical and practical demonstrations. All 15 participants passed the written exam and two candidates have already completed a practical. Congratulations to the following judges to be promoted to qualified Junior Friesian Judges: Annalou Orton, De Wet Human, Lourdes van Rensburg, Nonna van Tassen and Peta Gilmann.

### Blom 2022

Rain, mud and odds were the order of the day leading up to the start of the show. The showground crew, exhibitors and the show committee all put their weight behind the clean-up of soiled stables and the many tons of gravel brought in to help the footing!

Monday was bright and clear and the weather held till Friday afternoon when there was a downpour resulting in classes having to be cancelled and moved to the Saturday. At the end of the day all were able to show. Halo 0 to 2P Hugo, George Andriegs and the ring crew for making the arena safe and usable!

We were honoured to host 4 judges from the USA: Ellen Board, Michael Tansell, Sandra Currier and Kristin Stevens. This was a first for South Africa with the complete panel of four being from the USA. Our thanks and appreciation to the judges for their time and knowledge shared. We hear the dinners after the show were great fun!

A shout out to the Ringmasters, Stewards, Auctioneers, Tabulators and Collecting Ring Stewards for a great job! They really have great stamina with the long hours on their feet in all the various circumstances.

The ice was superbly run by Johanna du Toit, Dale van Rensburg, and Colette and Megan Louw. Thank you for also doing a great job behind the scenes as always. Judges' cards are posted on the website.

Thanks and appreciation to the following sponsors for making it possible for the USA Judges to cater at our National Championships!

"They were very athletic and as a matter of fact, it felt like I got back into the saddle here, there was an element of excitement at the very top of the World's Championships show!! Thank you again for the privilege!! Sandra Currier"

"It was an honour to judge your National Championships!!" Kristen Stevens

"It would be hard to describe the honor and pleasure of judging the show. Most importantly was the hospitality and the willingness of beautiful horses and wild animals. I cannot thank you, the committee and staff enough for your hospitality and kindness." Ellen Board

### Equitation Judges Seminar

The SANESA National Championships hosted a Saddle Seat Equitation Judging Course in conjunction with the Saddle Seat SANESA National Championships 2021. The course was well attended and boasted some of SA's most notable Equitation Judges as participants and presenters. The goal was to provide a platform where the Fundamentals of Saddle Seat Equitation and the Judging thereof could be shared in an effort to improve the standard and create cohesion amongst interested parties: parents, riders, aspirant Judges, qualified Judges and Trainers. Participants truly represented the full spectrum of interested parties.

Participants were treated to a detailed theoretical presentation and discussion on Saddle Seat Equitation, The Scoring Criteria, and how to apply these in Judging Saddle Seat Equitation presented by Dejan Pollock making use of the fantastic Conference facilities available at the Afrimonte.

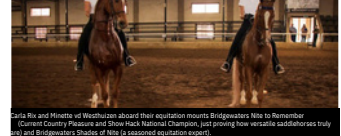

This was followed by a practical riding demonstration in the ring by a team of former Elite Equitation Riders who volunteered their services for this cause. Riders demonstrated correct and incorrect aids and pattern work while Dejan Pollock and Jani Zunker tabulated participants through each element and provided insights as to how the various aspects would affect a Judge's scoring and placings.

Participants taking vintage photos all around the ring to watch the practical riding demonstration while instructors talk them through their classes.

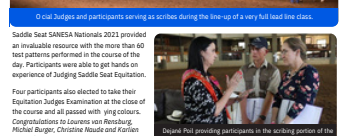

The Triple Threat - Out of retirement to assist as exhibition riders for the Saddle Seat Judging Course are Carla Rix, Minette Vd Westhuizen and Garland Poir, all of whom are former Champion of Champions winners and World Cup Gold Medalists.

Carla Rix and Minette vd Westhuizen aboard their equitation mounts Bridgeweaver Nita & Remambour (Carmel Estuete Reserve and Show-Hide National Champions), getting young horse aficionados truly into it and Bridgeweaver Shadoc of Nita (a seasoned equitation expert).

It was then time for the SANESA official classes to begin again and participants were divided into two groups and invited to try their hand at Judging Equitation Classes and Patterns from inside the ring and outside the ring in turn, with Dejan and Jani providing insight and commentary throughout. Finally, those who so wished were permitted to scribe for the Official Judges in an effort to learn from them and gain their hand experience of the working relationship between Judge and Scribe.

Saddle Seat SANESA Nationals 2021 provided an invaluable resource with the more than 60 test patterns performed in the course of the day. Participants were able to get hands-on experience of Judging Saddle Seat Equitation.

Four participants also elected to take their Equitation Judges Examination at the close of the course and all passed with flying colours. Congratulations to Lourens van Rensburg, Michael Burger, Christine Houder and Katrien Bezaart.

Dejan Pollock providing participants in the judging portion of the course to ask further questions as to their experience.

We welcome all input and suggestions from our members at all times. Make contact with us! With regards,
